Annual Report (2022-2023)

“Education is the manifestation of perfection already in man”-Swami Vivekananda.

The annual report showcases the achievements and glories of our school, undoubtedly, but also make us think deeply about our shortcomings. We have always committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child’s personality. We set standard of goals for ourselves and strive to achieve them-be it in the area of academics, sports, discipline, leadership and more.

A brief Background

Zenith World School was established with deep interest in furthering the cause of education; and in a short span the school became more popular and its effort were greatly appreciated which resulted in rapid growth and up gradation of school up to 10th standard in 2011.
